

**Why should I become  
a member of NEWVMA?**

- NEWVMA provides accredited continuing education with nationally recognized speakers and local specialists. Members have the opportunity to learn without traveling far from home.
- Professional networking, camaraderie and friendships are promoted and cultivated at association meetings, seminars and socials.
- The association serves as a regional unified voice for the profession; addressing local issues and communicating with other groups including the WVMA and the Wisconsin State Legislature. NEWVMA also works with corporations and other advocates of organized veterinary medicine.
- NEWVMA supports the next generation of "home-grown" veterinarians by sponsoring a scholarship each year for a University of Wisconsin-Madison School of Veterinary Medicine student who grew up in Northeastern Wisconsin.
